

An Unemployment, HR, and Compliance Solution for Tax-Rated Employers

Ensuring your team feels supported, stays engaged, and well-equipped is just as essential for your nonprofit's success as minimizing costs in the event of turnover. When staying in the State Unemployment Tax system is your nonprofit's best option, our **fnppaccess+** program is your strategic ally, reducing costs and improving employee retention.

Why **fnppaccess+** is ideal for your organization:

- Ensures precision in unemployment tax and claims administration.
- Streamlines HR processes and compliance management for enhanced efficiency.
- Provides access to a wealth of resources and expert guidance.
- Designed to easily fit your budget.

Who is eligible for **fnppaccess+**?:

501c designated employers and their for-profit entities paying State Unemployment Taxes.

Key features of **fnppaccess+**:

- Experience seamless unemployment claims administration, including auditing benefit charges, awards, claims duration, and liability for unmatched accuracy.
- Gain unemployment hearing preparation and representation.
- Review claims activity and status reports for comprehensive oversight.
- Receive tax rate verification and review alternatives to reducing your tax rate.
- Ensure your nonprofit stays compliant with ever-changing remote employee regulations.
- Tap into hundreds of management training and compliance classes and an extensive resource library.
- Access guidance from LIVE-SPHR and PHR Certified Advisors, available online and by phone, for expert insights into challenging people situations and workplace compliance issues.
- Build a federal and state-compliant living handbook with real-time policy update alerts.
- Stay ahead with breaking compliance news, expert analysis, legislative updates, and best practices.
- Improve HR processes with recruiting tools like job description builder, benefit document creator, salary comparisons, etc.

fnppaccess+ also includes special pricing for other FNP products, including Employer Retention Credit Assessment and Filing Assistance, Cyber Coverage, Background Checks, and Group Purchasing.
